SPEAKERS SELECTED ABSTRACTS

Speakers have reviewed the large amount of material and abstracts presented in Atlanta in December 2017 to select the best to present at this meeting.

Their abstract selections can be found on the Post-ASH website: www.post-ash.co.uk

You will find 8-10 abstracts per disease area which the speakers presenting at the three Post ASH Highlights Meetings have chosen as the most useful for UK practice.

FEEDBACK

Feedback will be gained after the meeting. An electronic survey will be emailed to all participants.

CPD

This meeting has been approved by the Royal College of Pathologists for 6 CPD credits. Certificates will be sent by email following the meeting to the email provided during registration.

Please make sure that the Hartley Taylor registration desk staff have your email address if you have registered on-site today.
