

# The Oxford Bone Infection Unit

## 7<sup>th</sup> Annual Oxford Bone Infection Conference (OBIC)

Thursday 22<sup>nd</sup> & Friday 23<sup>rd</sup> March 2018

Examination Schools, High Street, Oxford OX1 4BG

Thursday 22<sup>nd</sup> March

### Shared standards – common goals

08:30	<i>Registration &amp; refreshments</i>	
09:00	Welcome	
09:10	<b>Values based practice</b>	Ashok Handa, Vascular Surgeon Bill Fulford, Psychiatrist (TBC)
09:45	<b>Variation in practice - why we do what we do</b> Diagnostics – Imaging, sampling, sonication, CRP Surgical principles – Workup, sampling, primary closure Medical management – Choice, dose, route, duration	Bridget Atkins/Andrew Brent Martin McNally/Alex Ramsden Matt Scarborough/Jose Lomas
10:50	Introduction of sponsors	
11:00	<i>Tea / coffee, poster viewing and exhibition</i>	
11:30	<b>Workshops</b>	
	<b>A. Foot and ankle infection</b> Mark Rogers, Con Loizou, Ben Lipsky	
	<b>B. Upper limb surgical infections</b> Chris Little, Mike Thomas, Andrew Brent	
	<b>C. Fracture related infection</b> Martin McNally, Matt Costa, Bridget Atkins	
13:00	<i>Lunch, poster viewing and exhibition</i>	
14:00	<b>Orthopaedic infection in special circumstances</b> People who inject drugs	Alysse G. Wurcel, MD Tufts Medical Center, Boston
	The paraplegic patient	David Stubbs, James Chan
	Orthopaedic infection in resource poor settings	Antonio Loro, Uganda
15:00	<b>Free Papers 1</b> X 7 (3mins + 1 min)	
15:30	<i>Tea / coffee, poster viewing and exhibition</i>	
16:00	<b>Focus on finance</b> Management, tariff and service structure	Karen Barker, Jamie Ferguson

16:30 **Ciorny-Mader Lecture** Eric Senneville, Tourcoing France  
*To communicate excellence and innovation in the multidisciplinary management of bone and joint infection*

17:00 *Close*

## Social Programme

18:00 **Drinks reception** – venue tbc

19:30 **Conference dinner** - Exeter College

## Friday 23<sup>rd</sup> March

### Challenges and progress

08:00 *Registration*

08:30 **Biofilm and biomaterials**

Animal models

Louise Kruse Jensen, Copenhagen,

Structural hierarchy in bone scaffolds

Jan Czernuszka

Treating biofilms on biomaterials: what's new?

Carlo Romano, Rome, Italy

09:30 **Free papers 2**

x 7 (3mins + 1 min)

10:00 **Prevention**

Incremental advances & Quality Improvements  
for Surgical Teams (QIST)

Mike Reed, Northumberland

Laminar flow and the theatre environment

Rob Townsend, Sheffield

Manging the risk in PJI

Alex Soriano, Barcelona

11:00 *Tea / coffee, poster viewing and exhibition*

11:30 **Free papers 3**

X 7 (3mins + 1min)

12:00 **Workshops**

**A. Confessional cases – learning from our mistakes**

Peter Baird + contributors

**B. Experimental design and use of big data**

Andrew Brent, Ashley Blom

13:00 *Lunch, poster viewing and exhibition*

14:00 **Best free papers**

x 7 (5mins + 1min)

14:45 **Networks and national visions**

France

Fred Laurent

Italy

Carl Romano

UK

Martin McNally

Discussion and next steps

Mike Reed/Ashley Blom

16:00 Prizes

16:10 Take home messages and close

Ben Lipsky and Roger Gundle

## 7<sup>th</sup> Annual Oxford Bone Infection Conference (OBIC)

### CALL FOR ABSTRACTS – PRIZES FOR BEST ORAL AND POSTERS SELECTED

Dear Orthopaedic, Plastic Surgery, Microbiology and Infectious Disease colleagues

The 7<sup>th</sup> Annual Oxford Bone Infection Conference represents a superb opportunity to communicate with and to learn from colleagues who manage bone and joint infections.

The aim of this meeting is to educate but also to share ideas and stimulate discussion. This, we hope, will improve clinical practice and encourage research to strengthen the evidence base in this field.

We need you **to share your ideas, research and clinical findings** and present these to your peers either as a selected oral presentation or selected poster. These can be any projects related to the field of bone and joint infection whether lab based or clinical.

We are asking for **challenging cases** to be submitted to be presented for panel and interactive audience discussion during the conference. These can also be submitted in abstract form with a view to providing slides later.

So please submit the best and most thought-provoking abstracts you can muster - the team at OBIC will be very pleased to receive them.

There will be prizes for the best poster and oral presentations.

**Dr Matt Scarborough, OBIC Organising Committee**

### INSTRUCTIONS FOR SUBMISSION OF ABSTRACTS

- ❖ Abstract submission is via the Hartley Taylor website: [www.hartleytaylor.co.uk](http://www.hartleytaylor.co.uk)
- ❖ Select **Conference Calendar** from the **Conference & Courses** menu and find OBIC under the March meetings
- ❖ Click on "Submit Your Abstract"
- ❖ Register with the abstract administration system
- ❖ Submit your abstract, ensuring that all fields are completed accurately (main body of abstract limited to 250 words maximum)

#### **Free papers:**

Abstracts should state briefly and clearly the purpose, methods, results and conclusions of the work. These will be selected for oral or poster presentations

#### **Clinical case presentations:**

Abstracts should be clinical cases that provide challenging diagnostic and/or management issues. The presentations will be discussed in an interactive way with both panel and audience. Presentations should be succinct and highlight 1 or 2 management issues. These do not have to be exotic or rare, just challenging and possibly controversial. The clinical question(s) should be clear. If selected for presentation, results of radiological and other investigations should be relevant, concise and complete. The organising committee reserves the right (for timing reasons) to arrange an independent presenter depending on the number and nature of submissions.

**The deadline for submission of abstracts is 5 pm, Friday 5<sup>th</sup> January 2018**

**You will be notified if your abstract has been selected by Friday 2<sup>nd</sup> February 2018**

**Oral and Poster presentation prizes will be announced at the end of Day 2.**
